## Carol Shepherd Human Resource Consultant

### Background and Key Activities

NZ Dip. Bus. Marketing;  
Master of Facilitation;  
Avatar Master;

Carol Shepherd is a Senior Advisor at BDO with extensive experience in human resource management, organisational development, training and facilitation.

Her energy, professionalism, passion and practical “down to earth” approach ensure that her advice and consultations are interactive and engaging.

Working at senior management levels in both corporate, small and medium business enterprises for over 25 years, Carol’s background includes a variety of industries and professions from manufacturing, printing and publishing, health and fitness, hospitality, accountancy, agri-business/farming and civil contracting and infrastructure.

Having a broad spectrum of experience in distribution and logistics, production, operations and sales and marketing management, Carol’s philosophy is “peak performance is about the quality of the leadership”. Creating the environment where people can be successful and developing interpersonal skills to enable people to accomplish their goals and achieve organisational excellence is one of Carol’s driving principles.
